

WASPS Artists' Studios, Perth Contemporary Arts Trust
and Perth and Kinross Council

We have a vision for a new creative future at the former
St John's Primary School in Stormont Street, Perth.
We would like to share our plans to transform the building
into a hub for artists' studios and creative businesses.

A New Future for the former St John's School

....and a chance to reminisce!

Did you go to school or teach there?

Did/do you live near the school?

Are you interested in its future?

Would you like to share your memories of the school?

Come along, view the plans, tell us what you think and share your
memories. Bring along any St John's memorabilia....but most
importantly bring yourselves.
