

wasps south block

bookable spaces

South Block has a variety of options available to those looking for a temporary space within a creative hub in an unbeatable location. We can provide space suitable for meetings, screenings, lectures, talks, workshops, symposia, exhibitions, launch events, or pop-up shops at fair rates.

the project room

The Project Room is a flexible space that can be easily adapted for private or public use. Measuring 518 sq ft, the room can comfortably fit 16 people in its boardroom layout, or can accommodate workshops, seminars, and retail events. The room can be equipped with: a projector, cables (for Mac & PC), and screen; flipchart easel, flipchart paper and pens; glassware and decanters. Unfortunately this space is not accessible to wheelchair users. Our other meeting rooms within the building are accessible, so please see overleaf for more information.

cafe/gallery space

South Block's café/gallery space includes the large street-facing space within which our coffee shop 'Project by Dear Green' is based. Boasting a 1076 sq ft footprint, with windows nearly 18 ft wide, the space is ideal for showcasing amazing creative activity. The bright and spacious environment can be reconfigured to suit a variety of purposes and is a perfect space for more social events. The event space can be used for a wide range of purposes: discussion, presentation, pop up exhibition, film screening, product launch, workshop etc. We do not hire out the space for music events or parties.

This area acts as a café/public space from Monday to Friday between 9.00am - 5.00pm, during this time bookings cannot be made in the event space.

Please note that access during the week cannot be gained until 5.00pm (café close) so load in should be considered from this time which should impact the starting time of the event. Bookings made must be stated inclusive of set up and clear up times and charged for the total hire period.

We are able to provide wireless-internet access, café tables, up to 30 chairs, portable projection screen, digital projector, extension cables and flip chart. Please note that whilst using the space access to the café working area is not permitted.

The café and gallery space is for the most part wheelchair accessible and an accessible toilet is located on the first floor with lift access. Unfortunately the project room, adjacent to the main space, is not accessible to wheelchair users.

meeting rooms

In addition to our ground floor bookable area, there are two meeting spaces within South Block: Room 100 (which seats 8 people) and Room 115 (which seats 6 people). These spaces are ideal for more intimate meetings where privacy is required.

booking procedures

If you are interested in hiring one of our spaces at South Block please email: SouthBlock.Reception@waspsstudios.org.uk or call **0141 271 4700**

Please note that South Block is staffed Monday – Friday, 9-5 and any bookings outwith this time are subject to staff availability and additional costs for staffing.

terms Spaces should be returned in the condition they were found. Tables that have been moved to accommodate the event should be returned and set up ready for café business. Tables should be wiped down after use. South Block does not offer catering, and will not provide any bin bags, cutlery or tableware. It is the organisation's responsibility to dispose of any non-café items in their own bin bags to be disposed of in the South Block bin. External hire of the café/gallery is not possible whilst the café is open during the week (9am – 5pm). We do not hire out South Block spaces for music events, and no alcohol may be sold on the premises.
